

Employee satisfaction questionnaire

powered by deskbird

Hello,

This employee satisfaction questionnaire aims to understand better what you like or dislike and what makes you happy or unhappy in your job. Your participation will help us to determine our areas of improvement to increase your level of job satisfaction. It is key that you give us your honest feedback and, if possible, share your opinion more in detail about important topics. If there are any subjects we haven't covered and seem essential to you, please feel free to mention them in the "additional comments" section at the bottom of this survey.

Thank you for your participation!

For each question below, please evaluate on a scale from 0 to 10 how satisfying the topic mentioned is, zero being "very bad" and ten meaning "extremely good".
